

Business Benefits of *Self-Service* Procurement in SAP

Absoft's SAP Self-Service Procurement Solution is designed using Neptune Software to streamline the **procure-to-pay process** and enable organisations to adopt a **self-service mindset** whilst shopping, approving and receiving goods and services. We have been working with a wide range of organisations throughout the UK, to make SAP available "**anytime, anywhere**" which has led to an improved UX for thousands of SAP end users.
